Corrugated Plastic Products Ltd. is committed to providing its customers with products and services which comply in all respects to the specifications and orders, and which meet the needs and expectations of the customers.

The organisational goals are that quality which is inherent in the products and services it provides, and it is committed to set; measure and monitor quality objectives to continually improve the performance of the quality management system. These goals are communicated to all its employees.

All policies and procedures relevant to quality are authorised by the Directors and maintained by the Quality Manager. These policies and procedures are designed to conform to the applicable requirements and the requirements ISO 9001:2015.

This Quality Policy Statement is communicated to all company personnel.

This policy is itself kept under continual review.

**Peter Farrington, Managing Director**
